TECHNICAL RIDER

REVISION FOUR - UPDATED JANUARY 2023

For all Technical Questions please contact Kris Connell.

Tel - +44 (0) 7584 621924

Email - technical@nhklive.co.uk

NHK are a 3 piece acoustic band. Nutty on Vocals, Howard on Guitar(s) and Vocals, Kris on Percussion and Vocals. The following rider is integral for NHK to be able to perform. All of the below should be provided to NHK at no cost unless otherwise agreed.

NHK tour fully self-contained either with or without a PA system.

On Gigs where own PA is to be used, the following will be required

- Access to venue 1 hour before the first performance, to set up and sound check.
- A performance area of no less than 2m squared.
- 1 single 13 or 16 amp power source.
- Parking space for one car.

On Gigs where the venue/organizer is providing PA, the following will be required

- Access to the venue 20 minutes before the first performance.
- A performance area of no less than 2m squared.
- A single 13 or 16 amp power source.
- Parking space for one car.
- NHK will provide all microphones and DI boxes.
- 3x Boom microphone stand will be required, if these cannot be provided then please let NHK know in advance.
- NHK tour with a production rack that will be situated on stage. NHK can provide the venue with either a Left and Right stereo feed, or 8 single XLR feeds, phantom power will not be required on the house desk, as the production rack sends phantom power.
- NHK will mix their own monitors where possible. NHK can provide one single monitor feed either direct to the venues monitors or FOH. If the venue is mixing monitors, then one mix is required at the front of the stage with a general mix of everything. Please include vocal effects in this mix.

XLR input list (split from the production rack)

- 1 - Nutty Vox (Beta 57a)
- 2 - Howard Vox (sE V7)
- 3 - Kris Vox (sE V7)
- 4 - Cajon (Shure Beta 98)
- 5 - Stomp Box (DI Kick drum simulator)
- 6 - Guitar Left (DI)
- 7 - Guitar Right (DI)

If you have any questions or queries relating to anything Technical, please do not hesitate to get in touch with NHK at technical@nhklive.co.uk.
